ORGANIZED BY

AeSI Bangalore Branch in Association With CEMILAC & SFA Bangalore Chapter

ABOUT CEMILAC

Centre for Military Airworthiness and Certification (CEMILAC), is a regulatory body under DRDO, vested with the responsibility of Airworthiness certification of military Aircraft, Helicopter, Unmanned Aerial Systems (UAS), Aero-engines, Air launched weapons and other Airborne stores. The Airworthiness function is implemented through the eighteen Regional Center for Military Airworthiness (RCMAs), located across India, and CEMILAC acts as the corporate headquarters. CEMILAC, along with RCMAs having specific core competence, carries out airworthiness certification of military airborne products designed and developed by DRDO laboratories, Other Government agencies, Ordnance factories, Public Sector Units and Private Industries. The Airworthiness Assurance of CEMILAC cover the whole spectrum of activities in Indian Military Aviation such as ab-initio design, continued airworthiness, production support and certification of systems developed indigenously as well as abroad.

CEMILAC in association with The Aeronautical Society of India, Bangalore Branch & SFA, Bangalore Chapter is organizing this one-day seminar & Industry interaction for the benefit of Aerospace and Defence industries on the occasion of Foundation day of CEMILAC and 75 years celebration & sustained excellence of AeSI.

ADDRESS FOR REGISTRATION & CORRESPONDENCE

Dr. Shirish Sharad Kale, Sc 'G'
Director (Materials & PI), CEMILAC
Email : dte-mat.pi@gov.in
Telephone : 080-25121401
Fax : 080-25234765

TARGET AUDIENCE

Members working with Private Companies, PSUs and DRDO labs.

SCOPE OF THE SEMINAR

The existing Military Aviation Ecosystem has provided a wide canvas for Public Private Industries Partnership and involvement of Private players in the field of Military Aviation. This seminar aims to provide an opportunity to familiarize the Industry Partners with Airworthiness Certification Process for Abinitio/Indigenous development of Military Airborne Stores. The seminar will provide an insight into the Indian Military Airworthiness Framework, Procedures, and Regulations and the Airworthiness Certification process of Military Airborne Stores as per IMTAR-21. The seminar will also showcase the documentation required for issue of TA/LoTA/IMTSOA. An interactive session on policy formulation and panel discussion with top officials of CEMILAC, DGAQA, PSU and Private Industries is also planned during the seminar, which will be a platform for private partners to air their concerns and inputs. This seminar will enable the private industries to become a partner in indigenization and Export of Military Airborne Stores.

FOCUS AREAS OF SEMINAR

- Indian Military Airworthiness Framework, Procedures & Regulation
- Airworthiness Certification procedure for Airborne Store/ Subassembly leading to issue of TA/LoTA

RESOURCE PERSONS

Eminent experts from CEMILAC and Private Companies will share their expertise.
